(W...Who?...)

(Who is this?)

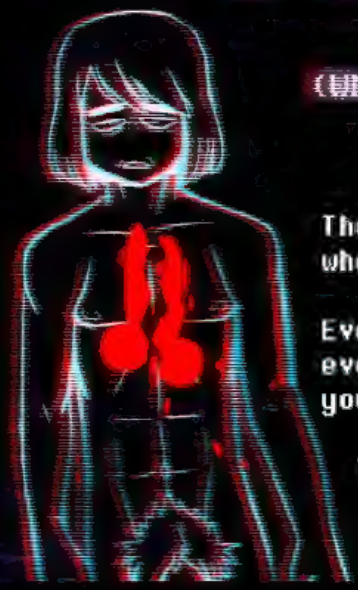
I am Charnis.

The incoubus that comes when people call his name.

Every time you felt lust, every lecherous thought you had...

That's me. Charnis.

...Y..Yes...



You and I, however, are not the same, are we?

This Lustful Soul resonates wtih an odd feeling.

There's a reason this Lustful Soul has brought us together.

Chosen vessels that have broken this world, yet it has restored it, in an attempt to "save" it.

...W...ha...

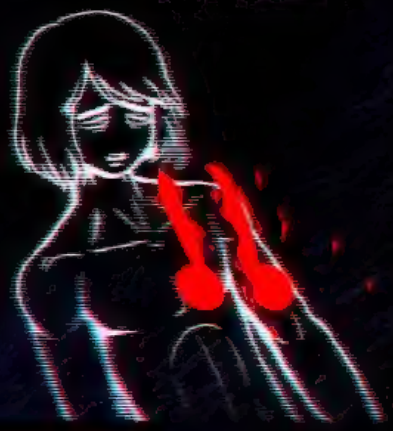
Determination is what drives me. Your determination. But what has driven you to this point?

Guilt? Penitence? Perverted setimentality?

I cam no longer understand such feelings.

...K...ng...s...

There is a reason you have been chosen, to be driven by such a lustful power.



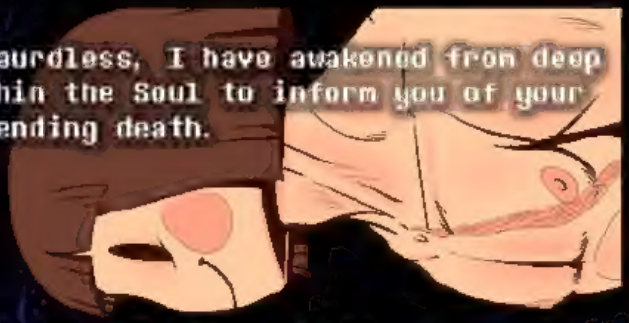
Ha...h...nh...

Such power, however, should not go to waste.

Surrender it to me fully,

and I shall restore this Lustful Soul to it's full glory.

Regaurdless, I have awakened from deep within the Soul to inform you of your impending death.



Soon you, me, and the Lustful Soul will be lost in the abyss.

H...ha...W...hy...

Y...ou... it w...s s...o...
In... my d...rea...ms...
Memories of the previous world.
It seemed so sure
in violating everyone.
B...ut yo...u...
You... it... w...as...
I simply answered the call
for power.
The Soul seeked unending
pleasure, but you sought
after "affection"
And look where it got you.
...N..No!
No...?
I-I don't n...eed you!
You're l...ying!
This soul...
is mine!!
Hmmm...
This feeling you have.
This is what I spoke of
before.
But you must have
misunderstood.
SINCE WHEN THE FUCK WERE YOU IN CONTROL?

I WAS PROMISED WE WOULD BE TOGETHER FOREVER!
G-Gahh!!
YOU ARE NOT ABOVE CONSEQUENCES!!
Gnnhh!

You
* ...What?
* What the FUCK are you doing now?

I understand now.
You used to be friends with the man who fell here before me... and that grew into more than just a friendship.
You were the princess of the underground, of monster-girls, yet you and your mothers showed him nothing but care and affection as if he was your own.
To the very end, you wanted to hold on to what made you kind, and despite everything, despite all the pain corrupting you, deep down, you are still you;
A princess who just wanted her prince back.
* ....
* Wh... What is this feeling...?
* What did you do to me!?
You're remember--
* NO! NO!
* I don't need ANYONE!

Frisky.

* That's...

A silly name, I know.

* No no, its a nice name.

Thank you, Angel.

* I haven't felt like this for a long time.

* I was souless as a flower.

* I laoked what made sex special.

* It was love. The love for others, and of yourself.

* The combined love of all the monster-girls as a whole has filled me with compassion.

* They care about each other so much, and they care deeply about you too.

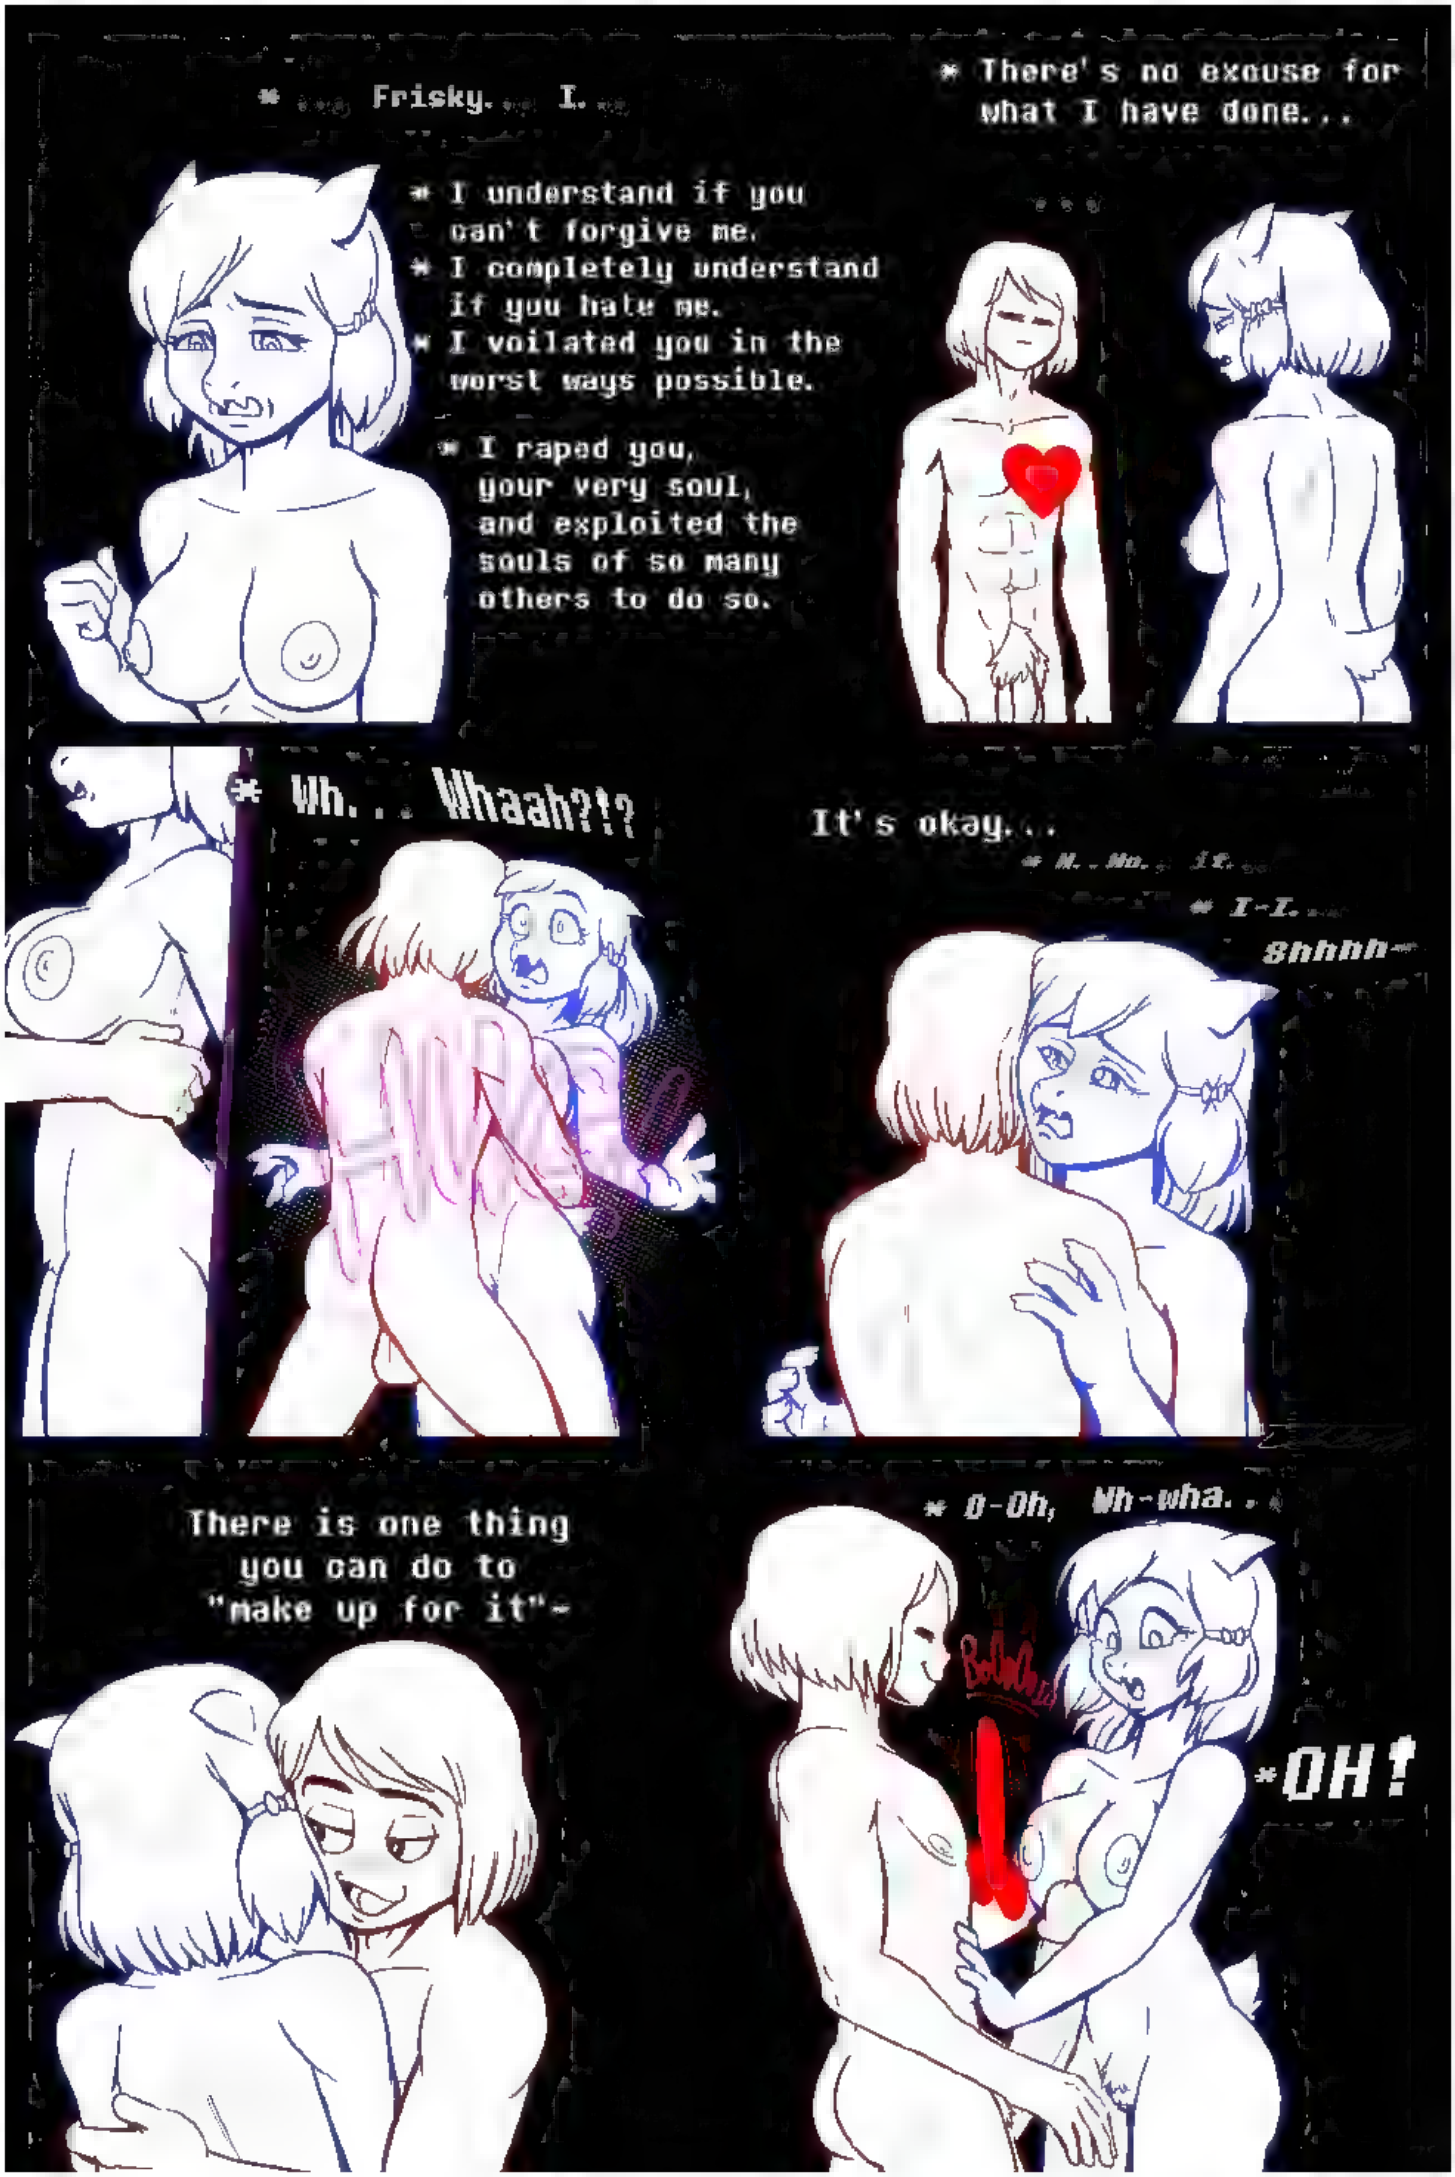
* All of your friends,

* My mothers,

* Its odd, because even though a monster-girl barely knows you, it feels like they all really love you.

I... I love them too.

* Hehehe...



* ... Frisky... I...
* I understand if you can't forgive me.
* I completely understand if you hate me.
* I voilated you in the worst ways possible.
* I raped you, your very soul, and exploited the souls of so many others to do so.
* There's no excuse for what I have done...
...

(Everyone... they're alright.)
(Did I... imagine all that?)

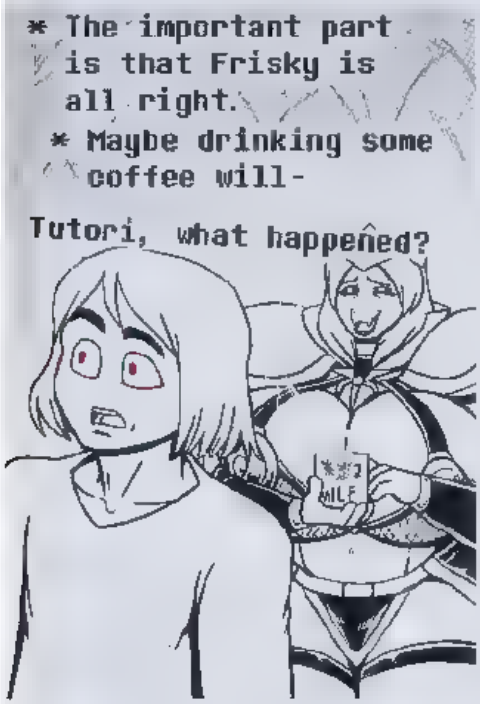
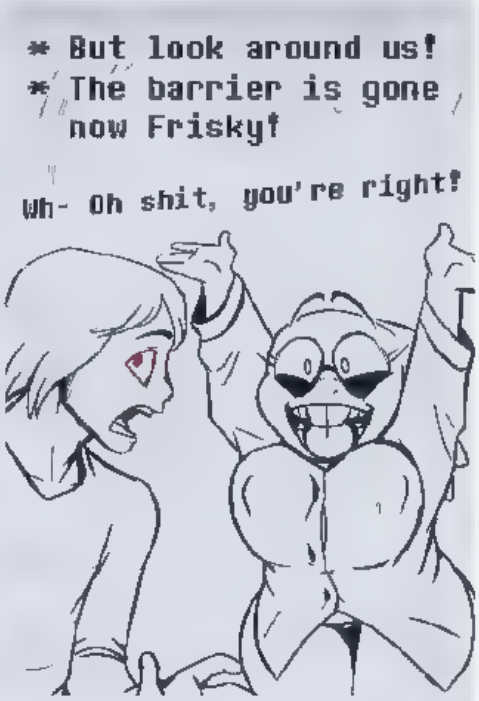
I WASN'T CRYING! SOME T TEARS JUST HAPPEN TO LAND ON MY EYE SOCKETS!!

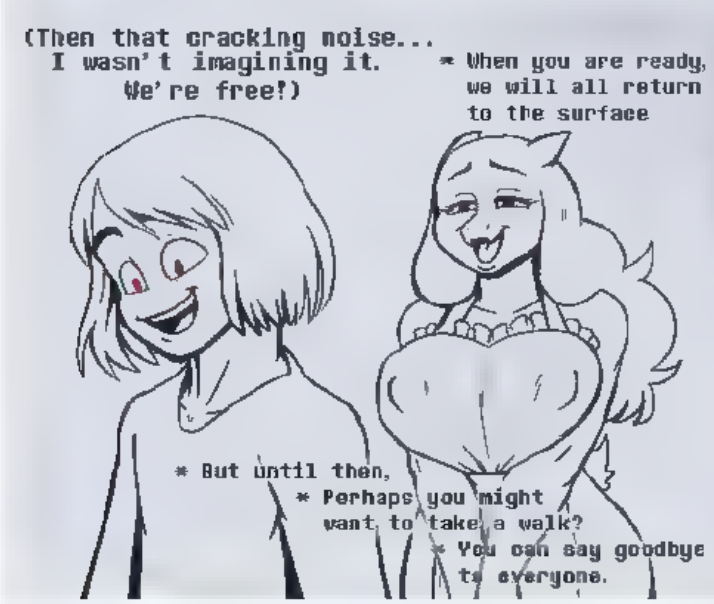


* The important part is that Frisky is all right.
* Maybe drinking some coffee will-
Tutori, what happened?

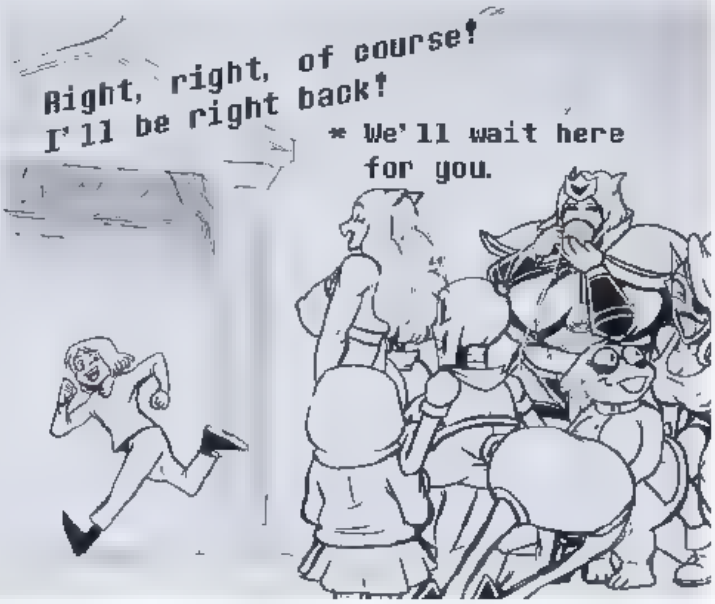
* I am not certain.
* None of us remember exactly what happened.
* There was a flower...
* And then, everything went white.



* But look around us!
* The barrier is gone now Frisky!
Wh- Oh shit, you're right!



(Then that cracking noise... I wasn't imagining it. We're free!)
* When you are ready, we will all return to the surface
* But until then,
* Perhaps you might want to take a walk?
* You can say goodbye to everyone.



Right, right, of course! I'll be right back!
* We'll wait here for you.

(Well, it all started here...)

(I've completely forgot why I came to Mt.EBoob in the first place;)

(To get a one, lousy little white flower.)

(N... No fucking way...)

(Is that)

A...Angel?

(Holy shit, it is!)

* Don't worry about me.
* Someone has to take care of these flowers.

What do you-

M-mean...?

* Frisky, please leave me alone.

* I can't come back.
* I just can't, okay?

* Its best if I don't come back anyways.
* Not after everything I did to you...
* To everyone... ....

Someone once said that "Determination" has the power to do anything.

Maybe you're right. I don't have to do anything for you, not after what you did to me...

... but if anyone deserves redemption in here, it's you.

* Frisky-!?

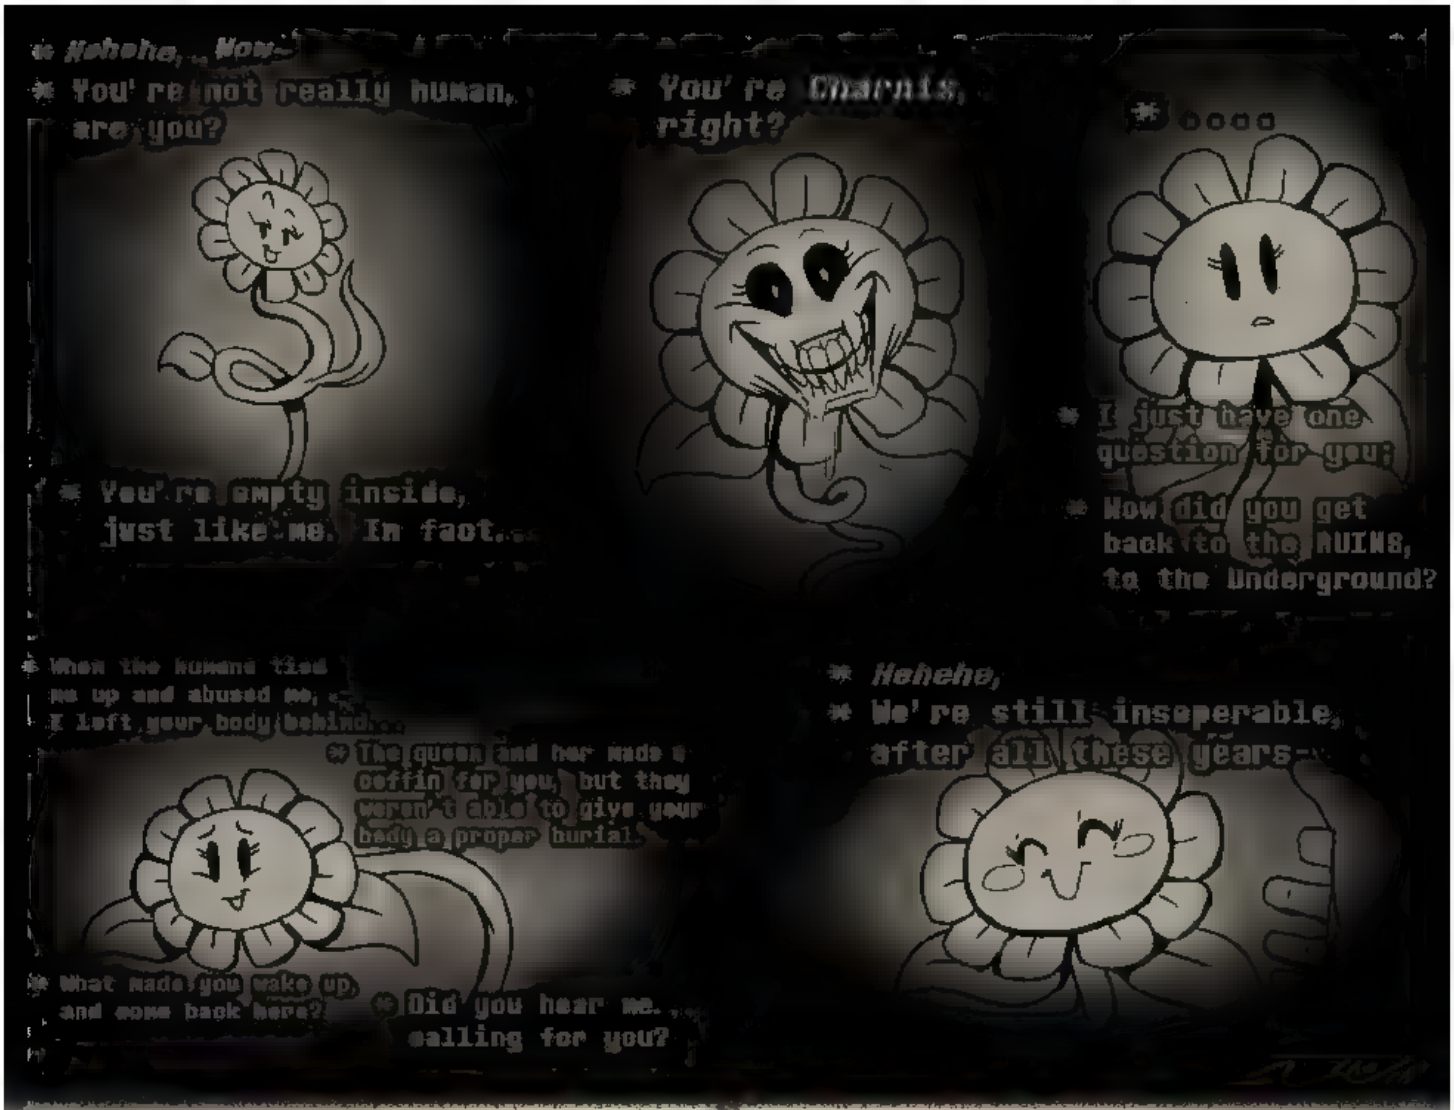
(inhale) Hmmmmmmmmmmmm

ck ck ck

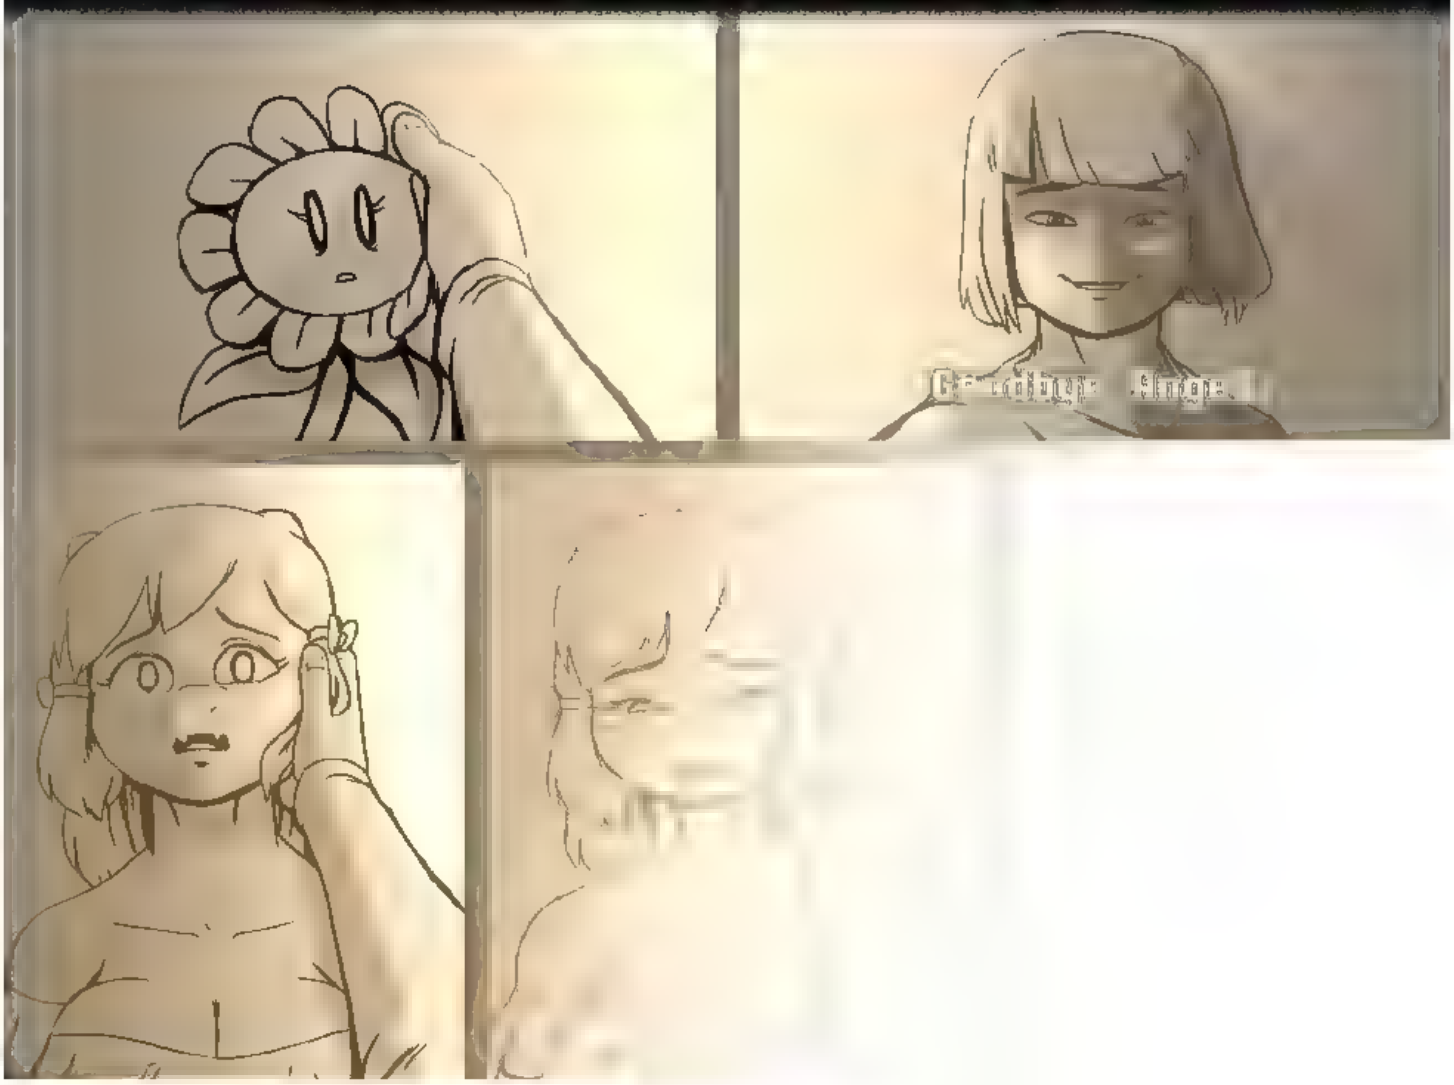
* F Frisky, wait!

EOU!!~

OoooOOOHHHHhhhh



* Hehehe... Wow.
* You're not really human, are you?
* You're empty inside, just like me. In fact...
* You're Chara's, right?
*...
* I just have one question for you;
* How did you get back to the RUINS, to the Underground?
* When the humans tied me up and abused me, I left your body behind...
* The queen and her made a coffin for you, but they weren't able to give your body a proper burial.
* What made you wake up and come back here?
* Did you hear me... calling for you?
* Hehehe,
* We're still inseperable, after all these years-



One Luna walk back

A place of my own? Uh... Not exactly.

You see, I... never knew my parents, or any other family, so I've been on my own for as long as I can remember.
* Really...?
Mostly, I've been trying to find a decent living.
* What will you do now?
I'll just drift from place to place. That's what I usually do.
* Frisky, you sound like you're not happy being alone.
* Maybe, you can live with Mommy, Mama, and me
....
* Angel...
* If he wanted to stay with the likes of us, none of this would have-

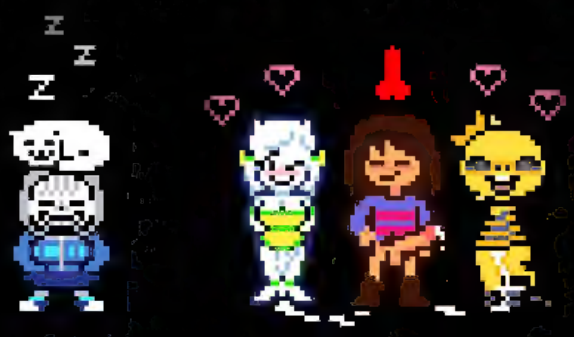
AFTERWORD

Howdy, this is William "TheWill" here. Not sure if I'm using the term "Afterword" right, but I'm rolling with it.

Has it really been 8 years since I first started Under(her)tail? Feels like 7 to be honest. But it has been a very self-rewarding 8 years. What started out as a one-off "What if UT but monster-girls?" soon snowballed out of control into this comedy/drama/action/romance of debauchery. I guess one of many questions some might ask is "Why the fuck did you do all this?"

Well, despite the gradual attention it has drawn towards me, I wanted to complete this adult parody because I gave up on other different projects in the past. I know now that you're not going to get it right the first time, or even the tentheenth time. But I told myself, "If I can't complete this, then how I could I ever find the drive to complete anything else?" So, I nailed my feet to the ground, glued my face to my tablet, and kept making more comic pages until it was done.

I've learned a lot along the way, planning ahead is definitely lesson #1. This journey has had me excited to make more content; Ideas that range from childhood dreams to one sentence brain-farts I thought up yesterday. But this time, they are my ideas, so I won't have to rely on spoofing ones from more successful dogs. One of the second most asked question does involve *a very, very similar and darker game to Undertale...* Buuut, I can worry about that whenever it's fully complete. I want to have a "full picture" of what I want to lewd. If I do slip up and start posting character designs and sketches based off *said game*, try not to jump for joy too early. In the mean time, you can look forward to my other, smaller, tinier upcoming works.


I thank you all for reading, commenting, following, questioning, silently judging, and sharing this comic, based on the game we all obsess over. Stay determined, (Your name here)! Until next time.
